## Gospel Reflections for Holy Trinity June 12<sup>th</sup> 2022

### Do you want the “*inside*” story?

If you can promise that ...you will have everyone’s attention!

After hearing politicians speak about new promises do you wonder if they are true or not? We all have a hunger for what is true, genuine, and real.

We like to know the real truth about things ...but people tend to trust more things said in a quiet whisper rather than what is spoken out in the open. If

you present news quietly as *inside information* it is often treated, ironically, with more belief than what you might say openly!

Today’s feast of the Holy Trinity reveals the “*inside information about the nature of God*” and it is all good news. It is a story of profound love. I hear this same idea about inside information among young couples when I ask them how they became engaged.

They often say something like, “*This person knew everything about me, everything deep inside me ... and still loved me!*” Those first moments of true love can be quite powerful and satisfying, yet still intensely private. After marriage, if they are blessed with children, their love changes from a focus only privately on themselves as a couple to outwardly toward the care of their children. Their children are kind of “*brought into*” the now more public love of their parents, and happily so.

When we pray, “*In the name of the Father and the Son and the Holy Spirit,*” we publicly proclaim the inside nature of God, which is this same profound love. That is the truth of things ...and we like to know the truth.

That means that you can also be “*brought into*” this relationship of the Holy Trinity, the family of God. *Jesus wants this inside message of God’s love brought out to the whole world!* No secret here, and all are welcome! Make sure you do your part to help make that love happen.

Let other people see by the way you live your life that you have felt this love of God. How you talk, how you act, and how you behave will affirm you have this love of God within you.

You can make a profound difference in your family, your workplace, or your school if you do. You do not want anyone to miss out on this “*inside*” true and authentic gift!

You are reminded of that gift of love every time you pray, “*In the name of the Father, and the Son, and the Holy Spirit.*”

*God bless!*

## Retirement Fund for the Archdiocesan Priests Collection

*This Weekend: June 11th & June 12th*

The Priest Retirement Fund offers a way for us to give back to our Catholic priests who have served us so faithfully. Your contribution will help archdiocesan priests live modestly and peacefully in retirement. Help us offer thanks for their years of devotion to God and our communities.

Your gift to the Priest Retirement Fund helps provide a monthly stipend to retired priests of the Archdiocese of Los Angeles. For most priests, this assistance is their only means of support. This helps many senior priests stay well and active in our communities.

Envelopes are in the pews.  
Thank you for your generosity.

The Blessed Mother is looking for men and women willing to work with her doing Evangelization, teaching CCD, Pilgrim Virgin visitation and visiting the sick to name a few.

Are you qualified?...yes! All you need is a desire to grow in your faith with willingness to sacrifice 2% of your time every week.

## Daughters of Mary

Interested in a **Marian centered** prayer group? DOM is modeled after the experience of Mary, Mother of Jesus. Historians believe Mary, as a Jewish woman, would have joined other woman in the synagogue to pray, reflect on scripture and converse about spiritual matters. In imitation of Mother Mary, we come together once a month for prayer, reflection and renewal. Meetings are the 4th Thursday of each month at 7 PM in the parish center.

For more information, contact Elba at 562-217-5445 or Carol at 626-806-2585.

## Bereavement Support for Children

When a family suffers from the death of a loved one, children suffer too. Often, they do not know how to express their feelings or they may not want to "make mom and dad feel sadder," so they hold their feelings in. There has been a request for children's support. We will hold our first session on Saturday, June 25 from 9 AM to 12 PM for children ages 7 and up. Please RSVP by June 22 to reserve a spot. Cathy [562-631-8844](tel:562-631-8844)

## Safeguard the Children

### DID YOU KNOW?

#### **Review boating safety measures before going on family vacation**

If your family is planning a beach or lake vacation, it is time to review a few simple boating safety measures. Discuss these rules with your family before you go out on the water so everyone knows what is expected. Everyone should wear life jackets that fit them safely. Children should also be monitored for any signs of hypothermia, especially after playing in the water. Keep dry blankets, towels, and extra clothes on hand to change into if children are too cold. Parents should learn or refresh basic CPR and water rescue skills before vacation. For more tips, visit: [https://www.safekids.org/safetytips/field\\_risks/boating](https://www.safekids.org/safetytips/field_risks/boating).
